### Floor / Table pop-up box enclosures Wall plates

Presenting ahead-of-its-time **E-Class** Floor & Table pop up box enclosures and wall plates to experience premium quality and convenience in wiring systems.

Tastefully designed in rich brass and stainless steel finish, these enclosures are perfectly designed to enhance the décor of hotels, corporate houses, board rooms, villas, penthouses, mega malls and departmental stores.

Available from 3 to 16 Modules for power sockets, voice, data, audio-video, speakers, USB and any other utility connection, **E-Class** box designs come in contemporary-n-classy colours, styles and patterns. What's more, these boxes can be customized as per your requirement in sizes and modules.

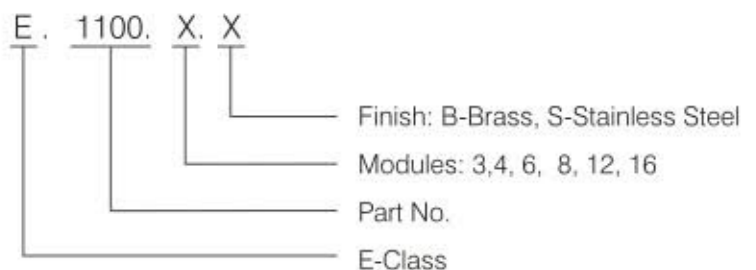

So, go ahead, conceal all your wires under the floor - the international way. The unique floor pop up boxes makes the task simple and convenient. The best part is. they also hide away when not required with a simple finger touch of a button. Keeping the interiors neat and elegant.

Wall Plates are available in 1, 2 & 3 modules having std. outer dimension (86mmX88mm).
